DEER 0,5W

CODE: 5200750

Area of application

Mini LED Night Light as an entertaining character with a touch-control on/off operation providing soft illumination and comfortable nighttime.

Product Advantages

The DEER is a playful and imaginative night lamp, inspired by a cute deer design that instantly attracts children's attention. With its charming animal shape and modern aesthetic, it adds a joyful and decorative touch to any child's room. Made from durable ABS material, the lamp ensures safe and reliable everyday use. Its compact size and lightweight design make it easy to place on bedside tables, shelves, or desks. The soft, warm light creates a calming atmosphere, ideal for bedtime and nighttime comfort. The Deer night lamp features one-level touch control for simple and intuitive operation. Powered by a 500mAh lithium battery, it offers up to 10 hours of continuous use on a single charge and operates via a USB Type-C 5V input, making it practical for daily use. Available in a wide range of cheerful colors, blue, green and beige.
