Area of application

Mini LED Night Light as an entertaining character with a touch-control on/off operation providing soft illumination and comfortable nighttime.

Product Advantages

The DOG is a cheerful and playful night lamp, designed in the shape of a cute dog that children instantly love. With its friendly character and modern, minimalist style, it adds a fun and cozy touch to any child's room. Crafted from durable ABS material, the lamp is safe for everyday use and suitable for children's environments. Its compact size and lightweight construction make it easy to place on bedside tables, shelves, or desks. The soft light provides a calming glow, ideal for bedtime and nighttime comfort. The Dog night lamp features one-level touch control, allowing simple and intuitive operation with a gentle touch. Powered by a 500mAh lithium battery, it offers up to 10 hours of continuous use and operates with a USB Type-a 5V input, for convenient charging. Available in a variety of bright and playful colors, blue, green and beige.
