INDOOR LIGHTING

FROG 0,5W

CODE: 5200800

Area of application

Mini LED Night Light as an entertaining character with a touch-control on/off operation providing soft illumination and comfortable nighttime.

Product Advantages

The FROG is a fun and expressive night light, inspired by a cute frog character with a humorous and eye-catching design. Its playful look and flexible arms make it especially attractive to children, turning lighting into a joyful experience. This exclusive patented model is made from durable ABS material, ensuring safe and lightweight everyday use. Thanks to its compact size and minimal weight, it is ideal for bedside tables, shelves, or creative decorative placements. The suction-cup arms allow playful positioning and add an interactive element to the design. The Frog night light features one-level touch control for easy and intuitive operation. Powered by three LR41 button batteries, it provides gentle illumination suitable for nighttime comfort, creating a soft and friendly atmosphere. Available in yellow and blue.
